# Barbershopper of the Year

## BOTY

The Sunshine District Barbershopper Of The Year (BOTY) award is our most coveted annual award because it's related to all those ingredients that go to make up the complete Barbershopper during a calendar year. The candidates are not necessarily the same as Chapter Barbershopper Of The Year winners. This fact should be kept in mind whenever chapters prepare to submit the names of one or more candidates. The award is made annually at our Spring Convention and is overseen by a District committee comprised of the last three award recipients.

Each nominee has done a tremendous amount of work to support, develop, and grow Barbershop Harmony in the Sunshine District and/or within their chapter. This is a tremendous honor for which each has been nominated and we all are grateful for their service and hard work this past year!

**Nominees for 2011 BOTY**

# Picking a Winner

*An armchair guide to judging barbershop contests*

This is not the definitive guide... just enough to take in your first contest knowledgeably.

## **Singing**

The Singing judge evaluates the degree to which the performer achieves artistic singing in the barbershop style. This is accomplished through precise, in-tune harmonizing, a high degree of vocal skill and a high level of unity and consistency within the ensemble. Mastering these elements also creates a feeling of fullness, "ring", or expansion of sound throughout the performance.

## **Presentation**

The Presentation judge evaluates how effectively a performer brings the song to life — that is, the believability of the theme in its musical and visual setting. He responds to both the vocal and visual aspects of the presentation and evaluates everything about the performance that contributes to emotional impact upon the audience.

## **Music**

The Music judge evaluates the song and the arrangement, as performed. He adjudicates the musical elements in the performance — melody, harmony, range, tempo, rhythm and meter, construction and form, and embellishments — and the degree to which the musical elements of the song and arrangement display the hallmarks of the barbershop style.

## **First Contests**

*The first contest of the Barbershop Harmony Society, held in Tulsa, Okla., in June of 1939, was an extremely casual affair. There were no score cards, no trained judges — in fact, no one's sure how many quartets actually competed. We do know that the Bartlesville Barflies of Bartlesville, Okla., beat the Capitol City Four of Springfield, Ill., after a "sing-off," and took home \$50 and the coveted title of "World Champion Quartet."*

*The second contest, held at the New York World's Fair in 1940, was judged by a panel of dignitaries that included Governor Al Smith, whom one competitor overheard whispering to a fellow judge,*

*"They all sound good to me — who should I vote for?"*

## **Today's Judging System**

*The Barbershop Harmony Society's judging system has since become far more precise. Judges today undergo a rigorous three-year training process leading to certification in one of three scoring categories: Singing, Presentation and Music.*

---

## **ASCAP/BMI Regulations:**

*Copyright law strictly limits the use of audio or video recording devices during any performance. No audio or video recording device, whether or not in use, is permitted in the place of performance without prior permission of the Society. Any persons found in possession of any such device will be required to leave immediately and the recording media will be confiscated and any unauthorized recording erased or destroyed.*

*Our enforcement of the copyright law protects you and us, but most importantly it protects the copyright owners who have made our performance possible. Your cooperation and support are appreciated.*

## **Photography:**

*Society regulations strictly prohibit the use of flash photography during any contest event. The Sunshine District requests that no flash photography be used during any performance this weekend. Please respect the competitors and performers by adhering to this rule.*

**Have a wonderful convention!**

For the past 13 years, the Sunshine District of the Barbershop Harmony Society has sponsored a 3-day Summer Music Camp for Florida high school boys and their Music Educators. This Camp, called Harmony Explosion, is entirely FREE (except for a small non-refundable registration fee of \$20.00 for the boys). There is nothing to buy and there is nothing to join. This is not just another Camp. This year's clinician's are Alex and Dan Rubin. The teaching quartet is their new quartet Throwback. The students will experience the very best of every aspect of Barbershop singing!

Ken Carter and his amazing staff are preparing an awesome event but your financial help is greatly needed. Please find it in your hearts to contribute to the future of barbershopping by sending a contribution to Ken Carter, Camp Director, 1202 Arriago Way, The Villages, FL 32162-0106. Gifts are welcomed from individuals, quartets, choruses and businesses.

Thanks for your help!
