The Future Looks Bright For Sunshine!

I'm optimistic about the future for several reasons – with the most compelling reason being the enthusiasm I witness from so many folks in our great district from coast to coast! There are so many of you that volunteer your time and talent to advance our shared love for barbershop harmony – participating in quartets, chapters, and with district-level activities. Thank you!

Looking ahead to 2025, the District Board and your House of Delegates have approved a new streamlined slate of officers to serve – reducing the size of the SUN Board of Directors to just 9 individuals. These include: **David Mills**, District President; **Rod Sgrignoli**, Executive Vice President; **Brian Wunderlin**, Secretary; **Dave Kannberg**, Treasurer; **Chuck Steiner**, Director of Events; **Jack Klotzbach**, Director of Music & Education; **Chris Rodgers**, Director of Finance; **Jason Dearing**, Director of Communications; and **Bruce Checca**, Immediate Past President. Keep in mind however, that there are numerous other individuals that will continue to serve in a variety of other roles and district-level positions – all responsible to a respective Board officer.

All of us on the Board – (along with all the other district-level volunteers) – look forward to

servicing you in the weeks and months to come. Just to let you know, we've already started work on various projects and initiatives as we prepare for our first face-to-face BoD meeting in January. So – stay tuned – there will be more to share later.

Just a reminder that our next 6 Sunshine District conventions are set – all which will be located at the World Golf Village Resort in St. Augustine, FL – where we have secured great hotel room rates locked in for the next 3 years. Those dates (once again) are:

- ♪ Spring 2025: May 2-4
- ♪ Fall 2025: October 17-19
- ♪ Spring 2026: May 1-3
- ♪ Fall 2026: October 16-18
- ♪ Spring 2027: April 30 – May 2
- ♪ Fall 2027: October 15-17

So – it's not too early to plan ahead – we want to see you there for the fellowship and the fun! That's all for now... thanks so much for sharing your enthusiasm for barbershop with the rest of us.

David Mills

Jack Klotzbach

Sunshine District Director of Music and Education

cdd@sunshinedistrict.org

Happy Holidays Sunshine District! We are excited about what the new year brings in our District. By now you will have all heard that we changed the Board structure to streamline the decision tree and to allow us to put more focus and support to the Chapters. As the Director of Music and Education, I will be responsible for training of all types for the district officers, chapter officers, directors, youth in harmony and anyone else interested in learning about barbershop. I will also be promoting and supporting music requirements and requests from chapter quartets.

Steve Culpepper will be the quartet chairman and be the direct contact for all things quartet (all quartets, seniors, novice, and everything in between) especially training, questions, and district support.

Steve Cragg will be the Youth in Harmony Chairman and will be managing the Harmony Explosion Camp and providing support to any chapter(s) that wish to host and sponsor a youth in harmony event, if requested.

I would also ask each Chapter to be involved in your community and ensure one of your chapter goals is youth outreach.

We are partnering with the Carolina District to hold a joint LEADAC via zoom meeting on February 8th, 2025 starting at 9 am EST.

Steve Denino, is scheduled to give a keynote address. We have scheduled the following classes:

- ♪ President
- ♪ Secretary
- ♪ Treasurer
- ♪ Membership
- ♪ Chorus Director

- ♪ Marketing
- ♪ Music and Performance
- ♪ Youth Outreach
- ♪ Newsletter Writing
- ♪ Making \$ from your Show Program
- ♪ Barbershop 101
- ♪ How to Put on a Successful Show

More information will be forthcoming. The training is almost free, will cost you some time on Saturday morning. I ask that you let everyone in your chapter know about this event. All are welcome. There will be a registration period and we will broadcast email as we move forward.

I am asking all Chapters to have some planning meetings and assess your Board and Chapter for opportunities that will 1) determine if your Chapter needs some training or support from the District and 2) determine if your Chapter can help support District youth events like Harmony Explosion or a youth event hosted by your Chapter. The District leadership is here to help you.

In order to assist your Chapter in a small way, I can arrange for a Director workshop for your Chapter. The workshop lasts 6 to 8 hours and includes coaching and practice directing, and a director collaboration session. The cost is \$75 per director. Please have your president, secretary or director contact me for more information. Workshops are open to all chapter directors and assistant directors, or whoever is waving their arms in front of the chorus.

2024-5 LEADAC will be held by Zoom Meeting February 8, 2025 starting a 9 am EST.

If you have any questions, please email me at leadac@sunshinedistrict.org

Message from SUN Communications

Jason Dearing

Sunshine District Director of Communications, 2025 incoming

communications@sunshinedistrict.org

Thanks, Roger!

Hi! My name is **Jason Dearing**, and I'll be taking over **Roger Smeds'** role as Director of Communications (including most things I.T.) for the Sunshine District starting in 2025.

Roger has been kind enough to work with me for an hour almost every week for the past 6 months or so. He's been showing me around the beautiful and highly-functional website he's built for the district over his tenure. We've gone over how to maintain it, and some vision for what it can become. We've worked together on nearly every email blast you've gotten since Spring convention. We've exchanged source code on a few projects. All that to say - he's done A Lot, and I really want to thank him again for his time with me and his service to the Sunshine District! I hope I'm ready for the role, and please be patient if I'm not!

A little(?) about me:

I've been singing interval harmonies since before I knew what a major scale was. My youth pastor, **Derek Washington**, was an avid barbershopper. He used to teach us tags and easy songs on the bus rides to field trips and youth camp. I started a quartet for a little bit in high school, and sang the Anthem in a mixed quartet once at a basketball game in college. In 2014, I started singing harmonies regularly for the praise band at my church, and found barbershop again via the *Big Orange Chorus* - just as a way to improve my singing at church.

Well, I got into it.

After attending my first barbershop show in December 2014, I was a member of the *BigO* by January. I went with them (singing jointly as the *Heralds*) to Pittsburgh in 2015. I sang baritone in every *BigO* and *Heralds* performance that year. Suggesting once to **Tony** while at a *Heralds* spring show that we maybe sing a joint Christmas Show at Jacksonville University, I immediately "became" show chairman for that show (and somehow, every *BigO* show since - Come see us at JU again on December 7th! :)).

I served as president of the *Big Orange* from Jan 2020 through Dec 2023. Yeah. THOSE were some years. We got through it, with the help of some very dedicated singers and a lot of Zoom. I currently serve as *BigO* Immediate Past President, which is only slightly less demanding on my time.

My day job for the past 27 years (and counting...) has been designing, programming, and implementing Interactive Voice Response phone systems and Call centers. I started as an IVR designer, specializing in the most user-friendly ways that computers can interact over the telephone with real people. Nowadays, I focus on building tools that other IVR developers and designers can use to make their jobs easier and their applications better.

As you can imagine, the tech behind how you talk to "some ol' bank's phone tree" has evolved in incredible ways over the last 30 years. I like to think I've been at the leading edge for a lot of it. Currently an AWS

Certified Developer and a Senior Solutions Architect, I help teams create Amazon, NICE, and Google Cloud contact centers.

What I really like doing is making tech easy to use. That's what I'm hoping to bring to SUN this year. I'll be working closely with **Jack Klotzbach** on some new resources for LeadAc, which will be completely virtual this year. There have also been some great ideas from our new EVP, **Rod Sgrignoli**, for setting up a merch shop online. But that's not enough.

I would love to hear from YOU on what I and the tireless volunteers in the SUN Communications department can do with technology to make your lives as barbershoppers easier. (There aren't that many volunteers by the way - wanna help???)

To that end, I've set up a few new Google Forms where you can request the services of myself and the Sunshine District Communications team for many of your district-related Information Technology needs. Current offerings include ways that you can request a new website calendar event, email blast, Zoom meeting, or suggest website adds/changes.

You can find links to those forms at the SunshineDistrict.org website, right at the top of the "Services" page. If you need something that's not offered there, please reach out to me at communications@SunshineDistrict.org.

Thanks, and let's have a Great Year!

I would like to thank all the Quartets and Choruses that competed in the fall festival! Now we need to double that number for the spring festival. I'm looking for suggestions on how

to get more Chapter Quartets started and competing, in the novice category or the regular contest. I'm looking for ideas, so let me hear from you.

Hoping to do a quartet work shop and coaching day early next year. Doing it in the Central Florida area. Once again thanks for a great fall festival!

Better Days Ahead Quartet

by Mike Tarlton, Baritone, Better Days Ahead Quartet

Greetings all,

I'm writing to let you know that our quartet, **Better Days Ahead**, has been featured in the latest issue (October 2024) of both *Stuart Magazine* and *Jupiter Magazine* (it's the same article in both editions). The article is only a half page long in the print edition of the magazines, but I think it was nicely done. Here are links to the online version of the article:

Stuart Magazine: <https://www.stuartmagazine.com/stuart-life/people/meet-the-locals-mastering-uncommon-arts/>

Jupiter Magazine: <https://www.jupitermag.com/meet-the-locals-mastering-uncommon-arts/>

I don't think it's huge news, but at least it puts our hobby in a favorable light, explaining the origins of the genre, as well as pointing out that it still has appeal for young people (although the reference to holding Harmony Explosion at Stetson University is somewhat out of date now). We just thought you might want to be aware that we're making a little dent in the media world.

Yours in harmony,

Mike Tarlton

St. Petersburg Chapter | The Sunshine City Chorus

A Hearty Hello from St Petersburg by *The Sunshine City Chorus*, the District's newest Chapter.

We were pleased as punch to make our debut with the District at the recent convention. Everyone was so complementary and kind, which came as no shock considering the wonderful barbershop community here in Sunshine.

We are a men's chorus, and meet in St. Petersburg on Tuesday nights from 7:00PM - 9:00 PM in the Warehouse Arts District in the "Burka

Lounge" (515 22nd St S). Our meetings are fun, with a relaxed friendly atmosphere, and a focus on artistic singing and engaged performance. Please come have some fun with us.

New Director, New Direction

by Rhonda Payton, Secretary, Greater Pinellas Chapter, BHS

The Florida Suncoast Chorus has been through a few changes lately! Our new Musical Director, **David Martinez**, comes to us from the Music Team with a wealth of leadership, vocal, and instrumental experience. In addition to many years of BBS chorus and quartet experience, he has formal vocal pedagogy training and is a concert pianist. Occasionally, he even surprises us with an impromptu piece before rehearsal.

We're thrilled to be your 2024 2nd place chorus! It was so much fun to debut new Director David, two new songs, and several new members. We new members didn't know what we were missing... and now we're in this hobby for a while to come. There may be some new chapter quartets in the making too.

Our chorus has a busy holiday show season coming up. We'd love to see you at our performances, all in Pinellas County, on Dec. 1, 8, 15 and 18. Details are on our website at floridasuncoastchorus.com.

Be sure to follow us on Facebook. And see you all soon at various District and Chapter events around Florida!

Our Heavenly Choir Grows

St Petersburg by The Sunshine City Chorus

As happy as we were enjoying the camaraderie at the Sunshine District convention, our joy was marred by the loss of our dear friend, Jeff Paul, who for years sang with the G-Men, the Florida Suncoast Chorus, The Brigades, and most recently with Skirt and Ties. He joined us, and sang with us on stage in St. Augustine. It turned out to be his last performance, as he passed, completely unexpectedly, only hours after the performance.

He was a wonderful man, who leaves behind a wife and two daughters. A friend to all, always willing to lend a helping hand, a BOTY (Barbershopper of the Year) multiple times, and a stellar bass and tenor. He went out with his musical boots on.

Andrew Reid, formerly of the Palm Beach Coastmen and a former Miamian passed due to an extended illness.

Registration is now open for the 2025 Harmony Platoons

The Sunshine District will host two Harmony Platoons in 2025 – one at each of our 2025 District Conventions. For just \$35, you will get digital copies of the charts and learning tracks for all five of the 2025 Harmony Platoon songs. Your responsibility will then be to learn all 5 songs cold – able to perform them without the music with other Harmony Platoon participants in randomly assigned quartets on both the Thursday evening and the Friday morning of the SUN Convention. In that way, all of us will be guaranteed to have fun singing with a quartet full of prepared singers. And if you register now, you will have 5 months to learn the music before the Spring Convention on May 1-3.

Additionally, the \$35 cost for the music and learning tracks makes you eligible to participate in any or all of the 10-12 other 2025 Harmony Platoon events taking place in 2025 in other Districts within the Society.

Here are the 2025 Harmony Platoon songs:

Title	Arranger	Contestable	Tracks

2024 Fall Harmony Platoon: Quartet Singing, Fun, and Friendship

by David Nations, Sunshine District Harmony Platoon Chair (dnstat71@gmail.com)

Fifteen barbershoppers came together for the Sunshine District's 2024 Fall Harmony Platoon – including 6 new people who had not participated in the Spring Harmony Platoon. Between Thursday night and Friday morning, we were shuffled into 12 different randomly drawn quartets, with most participants able to sing with 4 different quartets. We had fun getting matched up in these quartets, rehearsing one of our 5 Platoon songs with each quartet, and then performing for each other and for our judges, **Tonal Fusion**.

2024 Fall Harmony Platoon Quartet Champion: Bob's in the Bathroom (L to R: Megan Clark, Dave Jacobs, Kelly Young, Bob Tucker)

Friday morning's champion quartet, **Bob's in the Bathroom**, were the mic testers for Friday evening's Quartet Semifinals. All of us came together under the direction of Dave Jacobs to be the mic testing chorus for Saturday morning's Chorus competition. And, of course, whenever four of us ran into one another during downtime at the convention, at least one of the Platoon songs would soon be heard.

Thank you to District Quartet Champions **Tonal Fusion** for hanging out with us and judging the Friday morning quartet competition. Thank you to the Sunshine District for allowing us the opportunity to learn new music and quartet with people from all over the District.

We are looking forward to another fun year of Harmony Platoon in Sunshine District. The 2025 Harmony Platoon music has been announced and registration is now open. Please come join us at the Spring and/or Fall Conventions in 2025 and help make Harmony Platoon even bigger and better.
